Our beginnings...

In 1972, a handful of soccer players, interested community members, and coaches got together to create the foundation for what has become a wonderful organization, dedicated to developing a recreational soccer community for thousands of children and adults in the area.

Who do we serve?

Rainbow Soccer and Chapel Hill United serve more than 1,400 children each season and over 300 adults from Chapel Hill, Durham, Carrboro, Hillsborough and other surrounding communities. Our organization is proud to work with families that have deep roots in the area with generations of Rainbow supporters and participants, as well as those visiting for just a few months from foreign countries. We count many nationalities represented among our population of players and embrace the multi-cultural experience that comes along with the sport of soccer.

What does your sponsorship mean to Rainbow Soccer?

At Rainbow Soccer, we never turn down a player in need of financial assistance. Per season typically 30% of our fee income was spent on financial aid! During last fall and spring, Rainbow Soccer and Chapel Hill United granted more than \$33,000 in financial aid for players in need of assistance.

Please join us as a Sponsor Partner this season.

The sponsorship opportunities we have available are listed on the following pages. Your sponsorship is a commitment that extends well beyond our organizational borders and touches so many families in our community! Thank you so much for your consideration.

New opportunities...

Rainbow Soccer now offers jerseys on breathable fabrics that make for great digital printing backgrounds. This way our team sponsors enjoy a full year of exposure on uniforms the kids are likely to wear to school and around town. Our fields also have new fencing that provides banner advertising for our sponsors. Come see Rainbow Soccer and all it has to offer to its sponsorship partners.
